All in the family. There was a nice story on Channel 5 last week highlighting multiple generations of Law Enforcement officers in Assistant Police Chief **David Rahinsky's** family. Here is the link to the story: <http://www.newschannel5.com/Global/story.asp?S=13209592>

Stormwater Coordinator **Crystal Bishop** has coordinated a program which allows students to discover and experience Franklin's natural resources. Working with Mrs. Barbara Orr at Freedom Intermediate, Crystal will have over 400 6th graders at Eastern Flank Battlefield Park over the course of four days. The students are broken into teams and rotate through different discovery stations, learning about different aspects of water resources, watersheds, plants, and animals. Helping Crystal with the program are **Andrew Orr** (Planning & Sustainability); **Micah Wood** (Planning & Sustainability); **Jeff Willoughby** (Stormwater Intern); **Tom Ingram** (Engineering); and **Todd Snackenberg** (Parks).
